FOREWORD

Just two years ago this Association was formed for the purpose of expanding the Shorthorn breed in Ohio. Prices have ruled moderate in the first two auction sales, but some twenty new herds have been founded and many already well established herds have been improved as a result of the effort. This year, determined to carry on this useful promotion, the members of this association have redoubled their efforts. The cattle for this third annual auction are consigned from eleven of the strongest herds in Ohio. Every animal is an individual of good type and all are backed by perfect Scotch ancestry. The entire offering has been inspected and every animal has been tested for Bangs Disease and Tuberculosis within 30 days of the sale. This is a sale YOU can afford to attend. Those who buy these cattle will have improved their positions in the Shorthorn industry.—Hal Longley of The Shorthorn World.

General Information . . .

Sale will start promptly at 1:00 P. M.

LOCATION—This sale will be held on Irvine Hill Farm, one of the most beautiful farms in the state, at Granville, Ohio, on Monday, October 23, 1939. Granville is easily reached by paved and all-weather roads and the sale will be held in a comfortable pavilion. The farm is located one mile from town.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be buyer's costs of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Southeastern Ohio Shorthorn Breeders' Ass'n, the Sale Manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.
